

Beanie pattern

Please make the beanie long so it can be pulled over the ears

2 to 3 balls 8 ply wool - size 3 & size 4 needles.

(May need larger size needle for band – tends to be a bit tight)

With size 3 needles cast 90 Stitches.

RIB: knit 2 purl 2 until rib band measures 8 cms.

Change to size 4 needles and knit in stocking stitch (1 row knit, one row purl) for a further 16 cms.

Work now measures 24cms.

Then on next knit row knit 8, knit 2 together, repeat until end of the row.

Next purl row and all purl rows just purl, don't decrease.

On next knit row, knit 7, knit 2 together.

Next knit row, knit 6, knit 2 together etc.

Repeat, decreasing on knit row only until you have knit 1 knit 2 together.

Snip off approx 20cm length of wool, thread wool in needle, gather stitches, fold work and sew seam.
